

Nicholas Kirsten “Honshin”

Born and raised in Seattle Washington and now currently resides in Sedona Arizona. Honshin is known for his extensive retreats into the wilderness areas of the Southwest, the Pacific Northwest, and the Yucatan peninsula of Mexico.

His art is inspired and flows from the sacred meditational space of the transcendental archetypal symbols of Christianity, Zen, and Tibetan Buddhism as well as the shamanistic practices of the world's perennial philosophies. The original paintings, sculpture, and jewelry of Nicholas Kirsten-Honshin are created with joy.

Collaboration with the most respected Zen Masters in the world; Thich Nhat Hanh and Honshin have combined Honshin’s graceful paintings with the words of the renowned Zen Master into beautiful calendars.

Thich Nhat Hanh is a poet, peace and human rights activist, (called Thây by his students) has led an extraordinary life. Born in central Vietnam in 1926 he joined the monkhood at the age of sixteen. Thich Nhat Hanh adhered to the contemplative life and remained meditating in the monasteries, helping to found the "engaged Buddhism" movement. His life has since been dedicated to the work of inner transformation for the benefit of individuals and society.
